► HOW TO GET THERE

By car:

From Stuttgart (approx. 180 km):
Follow the A81 to Singen, from intersection "Hegau-Kreuz" use the B33 to Konstanz. Within the town follow the signs to the University.

From Zürich (approx. 75 km):

Use the N7 (toll road) to Kreuzlingen/Konstanz. After crossing the border, drive through the city (direction Singen) via the old Rhine bridge "Rheinbrücke". Upon crossing the bridge you can easily follow the signs to the University.

Four parking decks are in close proximity to the University:

a) "Parkplatz Nord" and b) "Parkhaus Süd" on the campus, c) a parking area close to the sports facilities, and d) a small parking area opposite the sports grounds at the top of the Mainaustraße. Particularly at the beginning of the winter semester all parking areas are well used. A parking fee of 1.30 €/day is payable (machine does not give change).

By public transport:

Buses 9A and 9B stop right in front of the main train station and will take you directly to the main entrance of the university.
